FANÁTICOS / **Customer Testimonials**

“I only have a small handful of brand loyalties. I find that most products, including food products are of acceptable quality and I therefore tend to buy what’s on sale. Your tortilla chips are an exception. They taste just like really good authentic restaurant chips; they are absolutely fantastic!”

~ Justin Lambert, New Carlise, IN

“We love your chips!
The hint of lime is amazing.
They are a hit at all of our parties,
we call them our secret weapon.”

~ Cheryl Potts,
Louisville, KY

“First of all, I want to tell you what a great SALSA you have made. I tried the HOT and was sold on it from the first taste. It had the right texture, flavor and spices to what I would call the PERFECT SALSA. Just thought you should know you made a big difference in the brand of SALSA I buy from now on.”

~ Jerry Magers, Louisville, KY

“Hi, I just wanted to let you know how grateful I am for your low carb, sugar free Margarita Lite Mix. As someone with Type 1 Diabetes, it’s extremely difficult to enjoy Latin drinks without endangering my glucose (sugar) levels.”

~ Jake Lynn, Edison, NJ

“We love OTB chips and salsa, we eat at least 2 bags a day and go through four jars of salsa a day too... Where we work there are 11 employees and we don’t get a lunch break so we’re always snacking!!! This stuff is sooooo good!!!”

~Jennifer Latulipe, Charleston, SC
